

Maple Court Resident Guide

Property Handbook & Community Rules

Welcome to Maple Court! This handbook is designed to help you settle into your new home and provide quick, reliable answers to the most common questions about living in our community. Please keep this guide handy for reference regarding property amenities, building rules, and emergency procedures.

1. GENERAL INFORMATION & CONTACTS

Management Office Hours

Mon – Fri: 9:00 AM – 6:00 PM
Saturday: 10:00 AM – 4:00 PM
Sunday: Closed

Demo Key Phone Numbers

Office: (555) 019-8372
Emergency Dispatch: (555) 019-9911
Towing: (555) 019-1234

Resident Portal: Please visit maplecourt-demo.residentportal.com to pay your rent online, submit routine maintenance requests, and reserve community amenities like the clubhouse or grilling stations.

2. MAIL & PACKAGE PICKUP

Maple Court utilizes a secure, automated digital locker system for package deliveries to prevent theft, reduce clutter, and accommodate your busy schedule.

- **Standard Mail:** Delivered daily by USPS to your assigned metal mailbox in the main lobby. You were provided two mailbox keys at move-in.
- **Package Lockers:** Couriers (Amazon, FedEx, UPS, USPS) deliver parcels directly into the Package Concierge lockers located in the mailroom.
- **Retrieval Process:** When a package is logged into the system, you will receive an SMS and email notification containing a unique 6-digit access code and a barcode. Scan the barcode or enter the pin at the central kiosk to automatically pop open the designated locker door.
- **Oversized Packages:** Items that are too large to fit in the electronic lockers will be held securely in the Management Office. They must be picked up during standard office hours.

Note on Abandoned Packages: Due to limited space, any packages left in the locker system or held in the office for more than 7 consecutive days will be automatically returned to the sender.

3. MAINTENANCE REQUESTS

Our facilities team strives to resolve all maintenance issues promptly and professionally. Please use the Resident Portal to log all standard requests so they can be tracked and assigned efficiently.

Request Type	Examples	Expected Response
Routine	Burnt-out hallway bulb, dripping faucet, sticky door lock, loose cabinet hinge, or running toilet.	24 – 48 business hours.
Urgent	Clogged toilet (if it is the only one in your unit), malfunctioning refrigerator, AC broken (in summer).	Same day (if reported to the office before 2:00 PM).
Emergency	Active water leak/flooding, no heat (if outside temp is < 50°F), no electricity to the whole unit, fire.	Immediate. (Call After-Hours Dispatch immediately if outside office hours).

Note on Entry: If you authorize "Entry to Premise" when submitting your ticket, our technicians can complete the work order while you are at work or away. If you require an exact appointment time, response times may be extended based on availability.

4. LAUNDRY FACILITIES

While select premium units feature in-unit appliances, all residents have 24/7 access to the spacious communal laundry room located on the basement level near the elevator bank.

- **Hours of Operation:** The facility is open 24 hours a day, 7 days a week. However, quiet hours apply between 10:00 PM and 7:00 AM. Please be mindful of noise, especially closing machine doors, if your unit is located on the first floor directly above the facility.
- **Cashless Payment System:** All washing machines and dryers are completely cashless. Please download the "WashPay" mobile application to your smartphone. You can use the app to load funds via credit card, start machines, and receive push notifications when your laundry cycle is finished.
- **Community Etiquette:** Please be respectful of your neighbors and remove your clothes promptly once the cycle completes. If another resident's clothes have been sitting idle in a machine for more than 15 minutes after completion, you are permitted to carefully and respectfully place them in one of the communal laundry baskets provided on the folding tables.

5. TRASH & RECYCLING RULES

Proper waste disposal is a community effort that keeps Maple Court clean, odor-free, and pest-free. The main Trash & Recycling Center is located at the north end of the surface parking lot.

- **Trash Chutes (Floors 2–6):** For your convenience, trash chutes are located in the utility closet near the central stairwell on floors two through six. **All trash must be tightly bagged and tied.** Do not force oversized items, un-flattened cardboard boxes, or glass bottles down the chutes, as this causes severe blockages.
- **Recycling Rules:** We are committed to sustainability. Please do not bag recyclables in plastic garbage bags. Place loose, rinsed items directly into the designated blue recycling dumpsters in the outdoor lot.
 - *Accepted Items:* Clean cardboard (flattened), mixed paper, plastic bottles and jugs (caps on), aluminum cans, and glass jars.
 - *Not Accepted:* Plastic grocery bags, styrofoam, pizza boxes (grease contaminates the entire recycling batch), electronic waste, or hazardous chemicals.

Bulk Items & Furniture Disposal: Furniture, mattresses, and large appliances cannot be left by the dumpsters. You must schedule a bulk pickup directly with the city sanitation department or hire a private removal service. Violators identified via security cameras will be assessed a **\$150 fine per item** added to their monthly ledger.

6. GUEST & RESIDENT PARKING

Parking at Maple Court is strictly enforced to ensure residents always have secure and accessible space.

- **Resident Parking:** Residents must park inside the gated parking garage using their assigned windshield RFID tag. Only one vehicle is permitted per registered resident unless a secondary spot was leased.
- **Visitor Parking:** There are exactly 12 designated "Visitor Parking Only" spaces marked in green paint in the surface lot outside the leasing office.
- **Guest Registration:** All guests must register their vehicle's license plate upon arrival using the QR code posted prominently on the parking signs.
 - Short-term guests are allowed free parking for up to 6 hours.
 - Overnight guests (staying up to 3 consecutive nights) must be registered in the Resident Portal by the host resident to receive a temporary digital pass.

7. EMERGENCY PROCEDURES

Your safety is our absolute highest priority. Please review these protocols *before* an emergency occurs so you are prepared to act quickly and safely.

Fire Protocol

- If you hear the building fire alarm sounding, you must **evacuate immediately** using the nearest stairwell. Under no circumstances should you use the elevators during a fire alarm.
- Before opening your apartment door, feel it with the back of your hand. If it is hot, do not open it. Stuff wet towels under the door gap and call 911 to report your exact unit number.
- Gather at the designated community meeting point: The sidewalk near the main entrance gates on Maple Street.
- Do not attempt to re-enter the building until the Fire Department officially issues an "all clear" signal.

Plumbing Leaks & Flooding

- If a major leak occurs in your apartment (e.g., a burst pipe or overflowing fixture), attempt to immediately shut off the localized water source if possible. Shut-off valves are typically located on the wall directly behind toilets and under kitchen/bathroom sinks.
- Call the After-Hours Emergency Dispatch line (555-019-9911) immediately. Fast action prevents catastrophic water damage to your unit and the apartments located below you.

Lockouts

- **During Office Hours:** Visit the management office. As long as you can provide a valid government-issued photo ID to verify your identity, we will provide complimentary access to your unit.
- **After Hours:** Call Emergency Dispatch. An on-call maintenance technician will be dispatched to let you in. A **\$75 after-hours lockout fee** will be applied to your next month's rent ledger to cover the technician's time. You must present a photo ID matching the lease to the technician before they will unlock the door.

Thank you for choosing to make Maple Court your home. We are thrilled to have you as part of our community!
